

Explore the Capacity Project's interactive expo: Health Workforce: Using Better Data, Making Better Decisions

- Experience useful resources and tools
- Engage in hands-on demonstrations of the Project's technology solutions
- Learn about countries' successes and challenges
- View a short film about Uganda's experience

Come early and pick up a free flash drive loaded with the Project's health worker information software and tools.

First 100 participants can enter to win an iPod Touch!

Wednesday, May 27, 5:30-7:30 p.m.
The Omni Shoreham Hotel
Ambassador Ballroom
