OBJECTIVE OF SOFTWARE

Flipchart notes – HRH Workforce Planning Model Workshop

- ✓ Better inform decision makers
- ✓ Provide Basics for PLAN
- ✓ Help decision maker in taking options
- ✓ Provide basis for Planning/Policy
- ✓ Helps give sense of what is going to happen if all things stay same
- ✓ Helps retool thinking
- ✓ Helps prioritize
- ✓ Aims to <u>Alert</u> stakeholders to possible problems – RED LIGHTS

- Needs to integrate with other sectors
- Need targets (clear) and underlying assumptions
- Model should be available to decision makers to help decide on path to take
- Audience for outputs - who are decision makers?
- Interpretations / converging scenarios in way decision makers can use it - need for technical assistance
